Dear Alumni

A WEALTH OF MEMORIES

All graduating classes leave an imprint on their alma mater and the last days of a senior's school year can be challenging. Usually there is a mutual gladness as the students and the teachers part ways. I remember well as the St. Mary Class of 1967 chose "We Gotta Get Out of This Place" as our unofficial class song. We loved our school, but we were ready to take on the world and our teachers were ready to send us off in style. The Class of 2006 is no exception. They knew early on that they were a collectively bright class. Their brightness made them restless and energetic. Does this translate into success or disaster? For the Class of 2006, the word is success. In the end, 97% will be going on to 4-year colleges having earned a record-breaking $7,700,000 in scholarships and grants. They produced two National Merit Scholarship Finalists, six National Merit Commended Scholars, one National Merit Hispanic Scholar, and four National Merit Scholarship Winners. They have in their ranks two Ohio Board of Regents Scholarship Winners and 72% of the class was accepted at more than one college.

PICTURED WITH JAN ARE LEBRON JAMES, AND ROMEO TRAVIS

They also created a wealth of memories. In his homily during the Senior Farewell Mass, Fr. Kraker said that because of these memories it is not possible to really leave your high school. This is very true and we hope that the Class of 2006 continues to make memories as active alumni of St. Vincent-St. Mary.

As Alumni Coordinator, I experienced a flood of memories as I took on this position four years ago, rekindling old friendships and communicating with classmates again after many years. I created new memories as I made new friends, experienced being in a high school with exciting athletic teams, got to know the students, and embraced the challenges of working in a Catholic school. As I leave St. Vincent-St. Mary High School, I must say it has been a really good ride. I want to thank each alum who has given me a change of address, reported that a classmate has passed away, donated a yearbook, parted with a piece of high school memorabilia, helped in the Alumni Office, etc. These seemingly small things truly make a difference. I encourage all alumni to come back to school. See for yourself what I have had the privilege to experience. This school is committed to educating the best and the brightest, the average and the hardworking, the students who struggle, and those who are very special. It's what it is all about. Although I am leaving as an employee, I will remain an active alumna. Like Fr. Kraker said, you never really leave. Join me in the Alumni Association to support your alma mater and have fun in the process. As I have said many times, "You won't regret it."

To the Class of 2006, we collectively say "Job well done!" You are ready, like we were, to make your mark. We wish you the best and can't wait to hear of your undoubted accomplishments.

God Bless,
Jan Henry Bachmann M67

Calling Class Captains

VOLUNTEERS WANTED FOR PHONE-A-THON

We are looking for a few volunteers from each class of St. Vincent, St. Mary and St. Vincent – St. Mary to assist our students in our Annual Phone-a-thon to be conducted this fall. The job requirement is a love for the STVM family and a desire to help us reach our goal.

We will coordinate this event to make the best use of your time. You will not be making phone calls. Rather, you will be assisting our young students with name recognition and encouragement. Who knows, you may even get a chance to talk to an old friend.

This calling campaign will be a gigantic success with your participation. We need two representatives from each class who are:

Passionate about STVM
Believe in our school
Can commit to a few hours this fall

Interested parties please contact Tim Castrigano (Tim.Castrigano@stvm.com) or Joanne Zaratsian (JZaratsian@stvm.com).

We look forward to a rousing Phone-a-thon and a great evening of fun.

JOHN SPARHAWK V67

In an effort to promote awareness and support of independent restaurants, Jon Sparhawk principal owner of Dine Across America, has helped form a new association comprised of more than 200,000 independent restaurants nationwide. Sparhawk says that the group is dedicated to raising awareness of the economic and community importance of independent restaurants which have a difficult time promoting themselves due to lack of resources. "The independent business person forms the backbone of America. With the ever-changing environment in which restaurants are competing, we felt the time was right to develop a website to help independent restaurants connect with the consumers," says Jon. He hopes that ultimately the common thread — the cooperation — among the independent operators will reinforce their status as integral parts of the community across the country. For more information, visit www.dineacrossamerica.com.

PATRICK COLE VM05

Patrick Cole VM05 has been hired by NASCAR to be an official in the Busch Series.

Patrick was planning to attend Catawba Valley College, but temporarily put college on hold after being accepted into Bobby Isaac Motor Sports Program in Hickory, NC where he learned the basics of building a sports car. It was also here that Patrick volunteered on the weekends as an official at a local stock car racetrack. And it was here that he decided that he wanted to be an official for NASCAR. At eighteen years of age, he took a chance and applied for a job as a NASCAR official. Although one of a multitude of applicants, Patrick was hired to be an official in the NASCAR Busch Series, the second from the top rung of the ladder of series, the Nextel Cup Series being the top.

He is the youngest official hired by NASCAR and could be officiating at races in cities such as Daytona Beach, Los Angeles, upstate New York, Chicago, Phoenix and Mexico City.

PATRICK VASSEL VM03

King for Kids Bike-a-Thon

Tylon was selected from nominations open to the public. He loves riding his bicycle and wanted to participate in the "King for Kids" bike-a-thon, but his old bicycle would not make the grade. Now, with his new bicycle given to him by LeBron, Tylon plans to participate in this high profile community event.

The "King for Kids" Bike-a-thon, is a fund-raising event hosted by NBA All-Star LeBron "King" James. LeBron has shown that he not only has outstanding basketball skills, but also has a genuine concern for the well-being of children. LeBron has sponsored many benefit activities and programs to help children and families in need. The "King for Kids" event will raise funds for the James Family Foundation, which will benefit several non-profit organizations in the Northeast Ohio area and enable LeBron to offer programming for children and families through the foundation.

Car Raffle Huge Success

GROSSES APPROXIMATELY $80,000

Hello Fellow Alumni,

It's hard to believe that the Irish Family Car Raffle is just around the corner. The 5th annual car raffle is made possible thanks to the generosity of the Serpentinis. The proceeds from this highly successful event benefit the tuition assistance program. It replaces Bingo, which we never intend to bring back to our beautiful smoke free facility.

You, the alumni, came through in a big way last year. The alumni, as a group, were responsible for $25,000.00 in ticket sales. Many of you called to request extra tickets ……over and above those that were sent to you in our mailing. (No problem. We will give you as many as you request!) Even our younger graduates felt that they could easily purchase one or two tickets to help support the cause. For this we say, "Thank You!" But, now is not the time to sit back and rest on our laurels. We hope that with your help, this year's raffle will be the most successful to date. YOU can make it happen!

This year's Irish Family Car Raffle begins November 21st and ends February 23rd. Watch for your tickets to come in the mail. The winner could be one of your tickets ….. it only takes one to win. Good luck and have fun playing. We hope that this year's big winner is an alum. If you have any questions, or desire further information, please contact Joanne Zaratsian at 330-253-9113 ext 12.

Looking forward to your continued support.

FRIENDS AND FAMILY SUPPORT TRICOMI SCHOLARSHIP

Golf Outing Raises Funds For Tricomi Scholarship Fund

ANNUAL EVENT BRINGS TOGETHER ALUMNI

On June 24th, 124 golfers participated in the 2nd annual Ray Tricomi Memorial Golf Tournament, which took place at Ironwood Golf Course in Hinckley, OH. Alumni from the classes of 1989, '97, and '99, among others, were present along with many family members and friends.

The golf scramble event featured lunch, steak dinner, and a raffle. Prizes for the tournament included gift certificates to Maggiano's Little Italy Restaurant, designer watches, a casino clay poker chip set, an Ohio State Golf Bag and a Hague Water System.

All the proceeds of the event go towards the Raymond V. Tricomi Memorial Scholarship at St Vincent-St. Mary High School.

The Tricomi family would like to thank everyone for attending, and to send out sincere thanks to all of the people who donated their time and money to help make this event a success. Of special note are all the sponsors, including event sponsor PFI Displays, the Garber, Van Tiem, and Tricomi alumni families, Hague Water Systems, STVM High School and its new CFO, Tim Castrigano, for their help in getting the word out about the event and its donation of monogrammed golf balls. Additional primary sponsors included A. Ripepi & Sons Funeral Home, The O'Neill Group, and the Benefits Resource Group.

If you would like to make a donation towards the Ray Tricomi Scholarship Fund, please contact the Development Department.

Family and Memorial Scholarship Reception

The third annual Family & Memorial Scholarship Reception was held on May 21, 2006 in the Student Center. A record number of scholarship donors, scholarship recipients and their parents attended this event which is held to thank the donors and congratulate the students.

Family & Memorial Scholarships are established primarily through the endowment fund for the benefit of our incoming freshmen and current students as a valuable source of tuition assistance. Our scholarship program has grown through the years with three new scholarships added to the roster in 2005. It is a wonderful way to memorialize the life of a loved one or recognize a milestone event, and at the same time benefit a student and secure the school's future. For information regarding our scholarship program, contact Tim Castrigano, CFO/Development Director at 330-253-9113 ext. 42.

Three Schools, One Fam

In 1887, Rev. Dr. Thomas F. Mahar was commissioned to establish a Mission in south Akron to be known as St. Mary's. The parish was formally established in 1896 and in the fall of 1897, the first Catholic high school opened its doors to students. The first class to graduate was in 1901. In 75 years of operation, St. Mary High School graduated 4,351 students.

St. Vincent High School opened in September of 1907, also founded by Rev. Dr. Thomas F. Mahar who was the pastor of St. Vincent Parish. In 65 years of operation, St. Vincent High School graduated 6,626 students.

In 1972, St. Vincent and St. Mary High Schools became St. Vincent-St. Mary High School. As of 2006, STVM has graduated 5,698 students.

With our combined histories, our schools have graduated over 16,500 students. Our alumni constitute a varied and important part of our school community.

All things considered and despite a bumpy transition period of 33 years to becoming St. Vincent-St. Mary, we should feel lucky that we have a place to call "alma mater". Calls come into the alumni office from alumni of public schools and alumni of schools that have closed asking for advice on beginning an alumni association. Their past is broken and scattered and they want to put some pieces back together and recreate a connection to their high school. In spite of our imperfections, a great effort has been made to save the facets of our individual pasts and maintain records of current information on our alumni. Thanks to everyone who has contributed to this effort.

Twenty-six alumni work at this school. Occasionally a singing battle of the alma maters breaks out reducing the student body into fits of laughter. But underneath this light-hearted exercise, there is real competition and pride. The alumni of St. Mary, St. Vincent, and St. Vincent-St. Mary each want to sing the loudest and prove that they still remember all the words. Of course life does not revolve entirely around high school. But there is something about surviving that time of life together that strikes an almost universal chord and is very special. Even though the halls and walls of the schools have changed, its soul remains intact. Those who work here see it and feel it and cherish it.

STVM STUDENT ATTENDS CONFERENCE IN WASHINGTON, D.C.

Raina Henderson, a junior and daughter of alum Carla Chapman Sibley has been selected to attend a three-day conference in Washington, D.C. She is joining a group of young people from around the country to advocate on Capitol Hill for funding to support after-school programs. More than 500 parents, students, educators and afterschool program directors will send the message to lawmakers that we need more funding for the after- school programs that keep kids safe, inspire them to learn, and help working families. The conference is sponsored by the AfterSchool Alliance and the National League of Cities. Raina has been working in an after-school program at Mason Park in Akron. Congratulations, Raina!

DRAMA DEPARTMENT SHINES

The spring musical this year was Rodger and Hammerstein's **Cinderella**. This classic fairy tale featured student performers in every aspect of the production. The scenery, costumes, singing, dancing, and acting were of the professional quality we have come to expect from our STVM Drama Department! All performances were enjoyed by sell-out crowds!

TALENT SHOW

ALEX MARSHALL VM06 AND ANTHONY MICALI VM06

St. Vincent-St. Mary students exhibited a wealth of self-expression during the annual talent show. From singing cowboys, and dancers to comedians, there was something for everyone, not to mention an abundance of talent.

DAN LANCIANESE IS 2006 BEACON JOURNAL/CLEM CARABOOLAD MEMORIAL COACH OF THE YEAR

For his work as coach and teacher and for his service to family and community, cross country and track coach and special education teacher, Dan Lancianese, is the 2006 Beacon Journal/Clem Caraboolad Memorial Coach of the year honoree. In addition to being teacher and coach, Lancianese formed the All-Star Training Club (ATC), a non-profit organization he established to offer sports programs for the special- and regular- needs individuals whose physical and mental limitations are not considered. Headmaster, Dave Rathz, sums it up when he says, "Dan embodies one of the concepts we share with our students all the time. That is, your talents are God's gift to you. How you use those talents is your gift back to God. Dan helps students of all abilities and talents to use their God-given abilities as a gift to God and to the entire world."
Congratulations to Dan Lancianese!

ALUMNI CAN ENSURE ST. VINCENT-ST. MARY'S FUTURE

ST. VINCENT-ST. MARY HIGH SCHOOL is currently working on a Planned Giving program to help secure the long-term future of the school. The four most common planned giving opportunities include the following:

Outright Gift of Cash or Personal Property:

This gift is a donation of cash, securities, or real estate. The donor receives an income tax deduction for the value of the gift, plus no capital gains tax due on appreciated property. You can tailor your gift to the school's needs.

Outright Gift of Stock:

Gifts of appreciated stocks may allow you to avoid tax on capital gains and entitle you to claim a charitable deduction for the full fair market value of the stock.

Gifts of Life Insurance:

If you own a life insurance policy that is no longer needed, it may be the perfect vehicle for a gift. To receive a charitable deduction for this type of donation, name St. Vincent-St. Mary High School as both the owner and the beneficiary of the policy. If the policy has cash value, you can take a charitable deduction approximately equal to the cash value at the time of the gift. In addition, if annual premiums are still to be made and you continue to pay them, those premiums will become tax deductible each year. Please check with your insurance agent for details on which forms to complete.

Bequest in Will:

This is the most popular and easiest way to remember St. Vincent-St. Mary High School. When preparing your will, you name STVM as a beneficiary of your estate. Usually this is through a cash donation or real estate. There is usually an estate tax deduction for the value of your bequest. Please check with your attorney for more information.

MARY CHRISTIAN LEAVES LASTING IMPRESSION

JOANNE ZARATSIAN, STVM FISCAL RESOURCES, ACCEPTS CHECK FROM FIRSTMERIT BANK'S BETH KATARIUS AND GREGORY BEAN.

Mary Flasco Christian V31 bequeathed St. Vincent-St. Mary High School $220,000. Mrs. Christian is said to have enjoyed reading the Alumni Connection to find out what was happening at STVM.

"Mary was a very refined person, always positive and always had a smile on her face," said Gregory Bean of FirstMerit Bank. "She was very generous with the school in her trust, and I know she would be humbled and pleased with the recognition her gift is receiving."

An alternative to lifetime giving is to plan a contribution after your death. St. Vincent-St. Mary High School can be designated as a beneficiary to receive a specific amount or a percentage of:

- Your will
- Your life insurance
- Your individual retirement account
