LETTER FROM THE ALUMNI DIRECTOR

Dear Alumni and Friends,

We welcomed the newest alumni members into the Alumni Association with the June 5, 2010 graduation of the St. Vincent-St. Mary Class of 2010.

I know you will enjoy reading about all of their achievements, successes and future endeavors. The STVM Alumni Association officially welcomed the VM10 Class which consisted of 147 members during the Senior Farewell Mass on May 27th. This class of 147 students has 48 parents that are alumni of St. Mary, St. Vincent or St. Vincent-St. Mary High School. It is interesting to note that the incoming freshmen, Class of 2014, represents a total of 190 students with 59 alumni parents.

The newly elected 2010-2011 Alumni Council Officers and Committee members are planning an exciting year of events. We hope that you can join us to rekindle old friendships and create some new memories.

Don't forget to mark your calendars for October 1st and plan to attend the Come Home for Homecoming Alumni Reunion event (p. 2).We are proud to acknowledge over 109 years worth of graduating classes and decided to honor all classes ending in '5 or '0, and started our listing at 1935! The evening includes a tour of the school, refreshments, as well as entertainment by our very own STVM Marching Band and Cheerleaders. If you can join us, be sure to attend the 7:00 p.m. football game when STVM takes on Garfield High School and sit in the bleacher section reserved for the Come Home For Homecoming Alumni Reunion! Please RSVP by September 15th so that we can better prepare for the number of guests that will attend.

I am often asked the question, "When did our school start?" The history and traditions of our school today is a reflection of the wonderful academic heritage that began with St. Mary High School and St. Vincent High School. As a recap, I have included a summary of our history below:

St. Mary High School - Fall of 1897, the first Catholic high school in Akron, Ohio opened its doors to students. The first class to graduate from St. Mary High School was in 1901. In 75 years of operation, St. Mary High School graduated 4,351 students.

St. Vincent High School – Opened in the fall of 1906, and the first graduating class was in 1910. In 65 years of operation, St. Vincent High School graduated 6,626 students.

St. Vincent-St. Mary High School – Fall of 1972, St. Vincent and St. Mary High Schools became St. Vincent-St. Mary High School. The first STVM graduating class was in 1973 and totaled 237 students. In 38 years of operation, STVM has graduated 6,570 students.

Congratulations VM10 and welcome to the Alumni Association!

Many blessings to you and your family,
Kathy Zehenni Holaday VM77
Alumni Director

MOVING NOTICE

The STVM Alumni Office has been busy this summer. The Alumni Office has been moved to an office located in the Student Center. Please stop in for a visit and spend some time looking through the wonderful archives, yearbooks, newspaper, and photographs. Thank you to the many alumni who have donated such incredible memorabilia and archive items (p. 2).

Please stop by and visit us the next time you are at STVM.

ARCHIVES

ST. MARY HIGH SCHOOL

The STVM Archives are growing thanks to a recent visit made by Bill Klotz M53 and his wife, Loretta (pictured above).

Bill and Loretta presented the STVM archives with a beautiful St. Mary High School uniform blazer as well as composites dating from 1954-1972. Loretta was the secretary to the St. Mary High School Principal from 1966 through 1972. Bill taught at St. Mary High School from 1957-1972 as well as at STVM from 1972-1996.

Bill and Loretta have two daughters that attended St. Mary High School: Jean M60 and Lynne M66.

ARCHIVES GROWING

The STVM Alumni Office is pleased to have received many archive items to add to our collection! The list is quite long and I might have unintentionally missed a few items that were recently presented to the wonderful growing archives:

Bernadette Antonino – St. Mary High School Yearbooks and banners; **Larry Marzulli and Jim Hadley** –St. Vincent High School Sports Scrapbook 1914 -1923; **Kathy Carruthers** – 1936 Class of St. Mary; **Ann Shaul Garber** – 1897 Rendering of Downtown Akron, St. Vincent High School Blanket/Throw; **Vic D'Andrea** – St. Mary High School 1952, 1953 Yearbooks & Banners; **Bill and Loretta Klotz** – St. Mary High School composites 1954-1972 and St. Mary Uniform blazer; **Barb Metzler Thompson V67** – 1933 and 1935 Football Team photos.

LOST, FOUND & REUNITED / PT. 6

Kathy Holaday wishes to thank Lisa Pelfrey and her son, Lane Pelfrey, a Senior at Wayne County Schools Career Center in Smithville. Lisa and Lane live in Rittman and Lane's favorite hobby is BMX biking. While biking in Rittman, Lane found a VM01 ring alongside the road in the grass. Lisa contacted Andy Jalwan, STVM Athletic Director and returned the ring to STVM.

After some research of the VM01 class list, Kathy Holaday, STVM Alumni Director, contacted Shawn Ferguson VM01 (pictured above) who confirmed that the STVM State Wrestling Championship ring belonged to him! Shawn visited the STVM office to retrieve his ring and was very appreciative of the effort that was taken to return his VM State Champ ring! Shawn is a 2004 University of Akron graduate with an International Buisness Degree. He is currently self-employed and is a representative for Supplemental Insurance Benefits.

BILL COSTIGAN, SR. V39 May 19, 2010 was proclaimed as "Bill Costigan, Sr. V39 Day" not only at St. Vincent-St. Mary High School, but throughout the City of Akron by proclamation of Mayor Don Plusquellic. This special presentation was a surprise for Bill Costigan, Sr., a graduate of St. Vincent High School Class of 1939. He was visibly touched by the warm welcome he received from STVM students, faculty, family, and friends as he entered the STVM gymnasium. Bill Costigan, Sr. was even more surprised to see the Irish community donning white commemorative t-shirts emblazoned with his picture and the name and date of the occasion.

During the recognition ceremony, Bill Costigan, Sr. learned that the former Costigan building at the corner of W. Market and N. Maple streets has been turned into a state-of-the-art baseball and softball training facility named in his honor. Following the ceremony, all invited guests enjoyed refreshments and received tours of the newly dedicated Bill Costigan, Sr. V39 STVM Baseball and Softball Training Facility. Joanne Zaratsian, STVM Director of Major Gifts, noted, "Bill Costigan, Sr. and his family truly embody the rich tradition that STVM is known for. It was truly an honor to host this event."

MARY BREIDING VM84 teaches at an inner city Akron Public School, McEbright Elementary. Many of her students live with grandparents or in foster care. Eight years ago, Mary inadvertently started an adopt-a-family program when she bought gifts for one family that experienced unexpected financial challenges at Christmas time.

This past year the McEbright Elementary Adopt-a-Family program, headed by Mary Breiding, was able to support 40 students and their 17 families. Mary has a number of "anonymous" volunteers, known as the "Santa helpers," which include many Breiding family members, St Vincent-St. Mary alumni, friends and businesses.

Mary graciously accepts assistance from many sources in order to help her students. As a result, her students are able to experience the miracle and wonder of Santa on Christmas morning, no matter their family circumstance, due to the generosity of the volunteers. It is a lovely way to experience the true spirit of Christmas – generosity that makes such a concrete difference in the lives of the McEbright students and their families. It truly serves as an inspiration to Mary and encourages her to do more for her students.

In 2005, **DAVE HAYSLIP**'s son, Connor was diagnosed with autism. Since then, Dave **VM88** has worked to raise awareness and funding for autism research. Dave and three alumni from STVM (Jeremy Varner VM88, Vince Morber VM88 and Cole McMahon VM87) created the Towpath Expedition for Autism Research.

The Expedition included a 300 mile bike ride from Lake Erie to the Ohio River on June 12th through June 16th. The money raised benefited the Organization for Autism Research. JOSEPH MAY V54

Joseph May V54 is active in Catholic Worker of Akron (CWA), an organization that helps and assists the homeless. Catholic Worker Movement was founded by Dorothy Day and Peter Maurin in 1933 and Joe likes to refer to CWA as the "hidden candle under the bushel basket."

Joe visited the STVM Alumni Office in March 2010 and shared the purpose and mission of CWA. CWA's mission is "to serve the poor in the city of Akron; to offer hospitality, including shelter, food, emotional and spiritual support to families and individuals who are in need of assistance, and enable them to become self-sufficient." In addition to the hospitality that is offered at the houses located on Princeton Street, CWA also provides tutoring for the young children, assistance with re-entering the workforce as well as transportation to appointments. The Peter Maurin Center is located on South Main Street and serves as a "drop-in-center" not only providing meals but also fellowship for those in need.

Joe received the Catholic Commission's Bishop William M. Cosgrove Justice Award in 2008 for his involvement with CWA.

Troy Portis VM06 graduated from Walsh University and reflects on his high school experience ….

As a STVM graduate I was spiritually, mentally, and emotionally prepared to attend Walsh University. The qualities that our school possesses gave me the confidence to enter college and immediately take on a leadership role while maintaining an above average grade point. STVM created a foundation for me that is embedded in the teachings of our Lord with the goal to educate students so that each individual can reach his/her potential.

I was extremely prepared for college after attending STVM and I cannot imagine receiving an education from any other high school. The family atmosphere and loving faculty members will always hold a special place in my heart!

ST. MARY **CLASS OF 1960**

Marilyn Snyder Dickel M60 reports...
St. Mary's Class of 1960 joined together to celebrate the 50th Anniversary of their graduation day from St. Mary High School at a class Mass held on June 5, 2010 at 5:30 p.m. The Mass was concelebrated by Father Burba and classmate Father Sam Ciccolini. M60 Classmates participated in the liturgy: servers — George Huffman and Victor Estafen, readers — Dolores Estafen Ohmer and Larry Lauter, petitions — written by Pat Nash Butke and read by Penny Sabolesky Roush.

After the Mass most of us went on a tour of the school. This brought back many memories. We then went to Spaghetti Warehouse.

The rest of our reunion will be held at Sheraton Suites on September 24th and 25th.

If you have not received the information, call Marilyn at 330-825-4683.

ST. MARY **CLASS OF 1965**

Lynne Wall Peters M65 reports…
The St. Mary Class of 1965 had their 45th reunion the weekend of May 21st and 22nd. The weekend started on Friday with the 5:30 p.m. Mass. We invited all alumni of St. Mary High School since the church was scheduled to close in June. We had an overwhelming turn out of around 300 people. It was gratifying to see how many of the graduates still hold a place in their hearts for St. Mary Church. All of the graduates that attended were invited to join our class on the front steps of the church for a group picture. It was quite an effort to get everyone gathered. Special thank you to Patty Dyer Burdon M69 for her efforts in this photo opportunity!

Mass and photo session were followed by an informal tour of the school and refreshments in the cafeteria. With the help of the STVM Alumni Office we had various class pictures to display that everyone enjoyed. The St. Mary alumni that attended our special reunion event included graduates from 1940 -1972. It was a wonderful evening.

Saturday night was the dinner/dance for our classmates at Thomastown Party Center. The food was great, the DJ engaging and everyone got up to dance, proving that the Class of 1965 still has it!

We still meet monthly on various Saturdays for breakfast at the Waterloo. For more information contact Lynne Wall Peters 330-494-2649 or Rosie Jordan Federico 330-434-8707.

THANKS FOR YOUR SUPPORT

Dear Alumni and Friends,

When I attended St. Vincent–St. Mary High School back in the late 70's, I remember seeing so many alumni here at the school. Student events, football games, basketball games, plays, musicals, and many family oriented fundraisers. Now as I return as the Chief Operating Officer of St. Vincent–St. Mary High School thirty-four years later, I see that the same tradition that we were very fortunate to be part of in the 70's, is still strong. However the alumni participation seems to be declining and I ask myself every day, what can we do to get our wonderful alumni involved again?

St. Vincent–St. Mary High School has an impressive track record of grooming young boys and girls into confident, well-educated, and successful men and women. Many of us would not be where we are today if it were not for the alumni who were a constant and active part of our high school experience. It is heartwarming to see that many of the same alumni that provided us the means for success back in the 70's, continue to be the same alumni providing the support needed today.

There are many ways to provide support; financial support being the first and foremost area — something that all private schools will need for years to come. In addition, there are many areas and facets to STVM that would gladly welcome your time and talents — various academic and extracurricular organizations, parent groups, alumni groups — the list is endless.

If you have been blessed with a rewarding career, and you have the means to support our school financially, then please help as much as you can. The true cost of education is approximately 16% higher than the actual tuition charged. Today's economy has left many of our families struggling to make tuition payments, and some may be faced with having to withdraw a son or daughter from STVM. If you can help keep a student enrolled at STVM, you will make a positive and lasting impact on their life.

If you would like additional information, as to how you can help these families, please call me at the school, and I will be happy to explain our Irish Academic Partner (IAP) program with you.

Also, if you haven't been to the school in recent years, please call us to schedule a tour. We would love to show you what's new at STVM.

God Bless,
Thomas M. Carone
Chief Operating Officer

PAT HART V68 ELECTED **STVM EXECUTIVE BOARD CHAIRMAN**

We welcome Pat Hart V68 as the newly-elected Chair of the STVM Executive Board. Pat has served on the Executive Board since December 2008.

Pat graduated from St. Vincent High School in 1968 and received a Bachelor of Arts Degree in Political Science from The University of Akron four years later. He earned his law degree from The University of Akron School of Law in 1975.

Following law school, Pat joined the Akron Prosecutor's Office in 1976 and went into the private practice of law in 1980. Pat is a partner with the law firm, The Scanlon Group Co., L.P.A.

Over the years, Pat has been active in professional and community service organizations. In years past, he has served on the Boards of Catholic Social Services, West Akron Baseball League and the Akron Bar Association. He is a past president of the Summit County Trial Lawyers Association. He presently serves as Chair of the Board of Akron CYO and Community Services.

"It's an honor and a privilege to serve our school and be involved in an indirect way in the educating of our students during these exciting, informative years. The quality, energy and enthusiasm of our faculty and staff is very impressive. Together with the help of the Board and our alumni, the STVM community has a very bright future," commented Pat.

CLASSES MEET THE **2010 CHALLENGE**

APPROXIMATELY $190,000 RAISED!

An all out effort was put forth from our alumni for the 2010 Green & Gold Annual Appeal! The Development Office is grateful to all the alumni and friends who volunteered their time to help us garner support for this year's important appeal. Representatives from the past 62 years came into the school during the months of March and April to sign and post script letters challenging their classmates to collectively contribute towards an $8,000 tuition. Many people used this opportunity to include reunion information and other class news with the mailing.

Calling out to these class representatives has been gratifying. I have found they are more than willing to help us. Their assistance and encouragement in challenging their classmates has proven to be an invaluable asset! Through their efforts, the Green & Gold 2010 Annual Appeal increased the Alumni giving. Be sure to look for the class giving lists in the next Annual Giving Report! **Thank you!**

This tradition is only going to get bigger and better each year. Next year! Same time! Same Place!

God bless,
Joanne Zaratsian, Director of Major Gifts

SPEAKER SERIES FEATURED DRU JOYCE, CURTIS WILSON VM83

Joanne Zaratsian, Dru Joyce and Dave Rathz at February Speaker Series

When Dru Joyce was asked to take over the head coaching duties at STVM, he accepted and was determined to instill seven core values in his players.

Joyce quotes STVM's mission statement, saying it helped him discover his role in life. "The first time I read that statement back in 2000, the words really resonated with me because I believe that's my purpose, to coach the inner and outer man," Joyce said.

During the February Speaker Series, Joyce spoke of the seven core values of humility, discipline, unity, servitude, integrity, thankfulness, and passion.

"The team is beginning to understand that it's about more than the individual, and that life and our basketball program began before them and will continue long after them," Joyce remarked.

Curtis Wilson VM83 and his retired jersey #10

Curtis Wilson VM83 addressed the April 30th Speaker Series Meeting. Nearly 100 invited guests, seniors, juniors and many teachers filled the gymnasium where Curtis' retired No. 10 basketball jersey now hangs.

Curtis' speech touched on the importance of family, friendships, building relationships and community. He told the students, "I hope to inspire you to greater heights and help you envision or get more focused on your future because at the end of the day, you have to own it at an individual level."

Curtis explained how his parents prepared him for life and how important it is to do your best to excel at every endeavor in this life. Curtis learned from his parents "it's not how you start, but how you finish, and how will you respond and react when the world knocks you down."

He recalled his high school days at St. Vincent-St. Mary, mentioning his former teachers, playing basketball, and making friends with classmate Mark Paxton. Many of those teachers, his former basketball coach Joe Suboticki, and Mark Paxton attended the meeting. Many members of the Wilson family also attended, among them his mother Barbara, wife Deborah and his son and daughter.

Curtis resides with his family in Montclair, New Jersey, and is the Vice President & General Manager, National Client Group, American Express Company – Merchant Services Americas, where he has worked for the past 20 years.

The STVM Development Department was on the road again! Joanne Zaratsian, Director of Major Gifts and Tim Rickus VM80, Executive Board Member, traveled first to Montclair, NJ to visit with Curtis VM83 and Debra Wilson. Curtis was the guest speaker for STVM's May Speaker Series and Curtis and Debra, Shamrock Society Members, recently purchased a granite stone on the Walk of Champions in honor of their family.

Joanne and Tim then traveled to the Big Apple to meet first with Richard Roberts VM82. Richard, a member of the Shamrock Society and Yale alumnus agreed to participate in the Speaker Series at STVM in November 2010.

Joanne and Tim continued their stay in the Big Apple and met with Joe VM82 and Janet Harvey. Joe was instrumental in setting up the "Boarman Backers 1981 State Championship Locker Room." Joe is also a Shamrock Society member and has agreed to participate in the STVM Speaker Series in February 2011.

Jim Kelly Memorial Scholarship

JIM KELLY MEMORIAL SCHOLARSHIP

The Jim Kelly Memorial Scholarship Reverse Raffle – Silent Auction was held at Guy's Party Centre on May 20, 2010. It truly was an "Elegant Evening of Dining and Bonne Chance." Once again, this annual event was sold out. Jerry Kelly and her volunteers worked tirelessly to present another successful raffle in memory of her husband, Jim Kelly V50.

To date, 112 incoming freshman have received the Jim Kelly Memorial Scholarship. Jerry Kelly is always quick to point out to her guests that it is not just 'her' scholarship. Every one who supports the Jim Kelly Memorial Reverse Raffle has played an important role and made the difference in the lives of the scholarship recipients.

SHAMROCK SOCIETY **PAVES THE WAY**

Members of the Shamrock Society play an integral role in the St. Vincent-St. Mary High School community. These donors continue to remember us year after year. And, they are making a difference with their ongoing support. After working in Development for the past 11 years, I am still amazed by the overwhelming response and dedication from our members.

Members receive exclusive Shamrock Society Newsletters and e-mail correspondence with the most up to date information regarding activities, events and accomplishments throughout the year. They also receive an official donor recognition key for free admittance for two to all theater and band performances and athletic events held on the St. Vincent-St. Mary campus.

This listing represents Shamrock Society donors who made contributions during the past fiscal year. The members of this distinguished group donated $1,000 or more annually to our school in support of general operating, tuition assistance, endowment, capital campaign and scholarships.

St. Vincent-St. Mary High School gratefully recognizes the following donors for their generosity.

I look forward to greeting our members on September 3, 2010 when Father Kraker will celebrate the Annual Shamrock Society Mass of Thanksgiving in their honor.

Sincerely,
Joanne Zaratsian, Director of Major Gifts

CLASS OF 2010 **LEAVE LASTING LEGACY**

When the St. Vincent-St. Mary High School Class of 2010 graduated on June 5th at E.J. Thomas Hall they had every reason to be proud. The 147 members of the STVM Class of 2010 received a highly impressive $8.8 Million in scholarship and grant offers with over 14% of the students receiving full scholarships. From the Class of 2010, 99% of the students will attend college and 94% were accepted at their first choice college. Aside from successfully completing four years of the challenging college preparatory curriculum, sitting A.P. Exams, and taking finals, the STVM Class of 2010 also found time in May to put the finishing touches on their class gift.

The senior class gift is a long standing tradition at STVM according to Joanne Zaratsian, Director of Major Gifts. In addition to an engraved brick in the Walk of Champions at the new Cosgrove Center which was dedicated at the beginning of their senior year, the STVM Class of 2010 has even bigger plans for a lasting gift to their alma mater and future students. The STVM Class of 2010 has established a scholarship fund to benefit future students at STVM. The members of this class are well aware that tuition is always increasing and that many members of their class were able to attend STVM through the generosity of scholarship donors. As class representatives, Natasha Kanakkanatt and Michael Ringer noted, "We wanted to establish a permanent legacy at STVM by giving back and showing our gratitude to those who went before us!"

ORR SCHOLARSHIP ESTABLISHED

In February 2010, Karen Murray, STVM Past Parent and Executive Director of the Robert O. and Annamae Orr Family Foundation, approached STVM about establishing a scholarship in honor and memory of Bob and Annamae Gifford Orr, alumni from the St. Vincent High School Class of 1939. The Orr Family Foundation has long provided monetary support to organizations that advance the quality of life in Summit and Stark counties. Through this new scholarship the foundation was excited to honor the legacy of Bob and Annamae Orr as alumni while helping to defray the cost of tuition for current STVM students. Six inaugural scholarships were award in early May for the 2010-2011 academic year.

2010-2011 inaugural recipients of the Robert O. V39 and Annamae V39 Orr Memorial Scholarship (from left): Zackery Frazier, Tessa Weigand, Matthew Perry, Julia Mendiola, and Parris Campbell, Jr. (Not pictured: Marissa Tomin)

ANNUAL EVENT **HONORS DONORS AND STUDENT RECIPIENTS**

On May 10, 2010 the Annual Family & Memorial Scholarship Reception was held at STVM. The evening dinner reception which featured a presentation by the STVM Show Choir was attended by 350 guests including donors, scholarship recipients, and their families. Through this event the donors had the opportunity to meet their recipients and the students had a personal opportunity to thank the donors. Both now and in the future, our students have the opportunity to further share in this legacy through scholarship donations. Out of gratitude to the scholarship donors, the student recipients and their parents made honor and memorial donations to the STVM Endowment General Trust totaling $1,387.92. It was a memorable evening for the scholarship benefactors and the students. Following brief remarks by Endowment Board Member Susie Gaebel Wallace VM91, Joanne Zaratsian, Director of Major Gifts, expressed her gratitude to the scholarship donors and challenged the students to remember what these donors have done to impact their lives and consider giving back to STVM in the future through a scholarship themselves. Joanne also announced the exciting news that the STVM Class of 2010 will honor their alma mater through the establishment of a scholarship. Our community is blessed to have such a strong tradition!

CONTINUING **A FATHER'S TRADITION**

As STVM celebrates the 25th Silver Anniversary of Showcase on October 23, 2010, we will also honor the memory of Ralph L. and Florence Bernard in a new and special way. Last year, Ralph Bernard, Sr. passed away. We are pleased to announce that Ralph Bernard, Jr. will continue his parents' legacy and provide sponsorship for the $25,000.00 Fund-a-Scholar oral auction item. This annual auction item raises key funds for scholarships and tuition assistance. Although STVM lost a wonderful friend and benefactor in Ralph Bernard, Sr., the relationship will continue to develop through the Bernard family's ongoing dedication and support of Catholic education.

St. Vincent-St. Mary High School Science Students participated in 62nd Annual State Science Day

SCIENCE STUDENTS RECEIVE **TOP HONOR**

The 62nd annual State Science Day was held on Saturday, May 8, 2010 at the French Field House at The Ohio State University. Over 1000 students participated from all over Ohio. Nine students from St. Vincent-St. Mary High School were invited to participate and they together, as a team, took home the top honor, the Harold C. Shaw Outstanding School Award. In order to receive this award 7 out of the 9 students had to receive the top rating of superior and no one could receive a rating of good and that is exactly what they did. Congratulations go out to all members of the team: Hannah Comeriato, John Friess, Renee Horn, Kindelan Huber, Jon Stone, Devin Sutter, Abby Tanner, Vincenzo Volpe and Olivia Walter. Each and every one of these students put so much time and effort into executing their project and their presentations; because of that hard work and perseverance they were able to achieve great things. Not only did they win the outstanding school award, but they also brought home many individual sponsored awards and scholarships.

UA/STVM RESEARCH EXPERIENCE BOASTS OUTSTANDING SUCCESS

Comments by our STVM students tell the story. "Being a member of a university research team and being treated with respect was a life changing experience for me!" Another quote by a student included, "I cannot thank The University of Akron enough for giving me such an amazing opportunity. I enjoyed every minute of the experience."

Building on the nationally recognized curricular foundation of the STVM Science Inquiry Project, The University of Akron and St. Vincent-St. Mary Research Experience has concluded its inaugural year with outstanding success. The partnership with The UA College of Polymer Science and Engineering joined 7 scientists, 7 STVM science teachers, and 7 STVM science students.

The project seeks to impact science teachers in learning how actual research is done and to better prepare exceptional students to do research studies in college. As a member of the UA Research team, students benefited from the mentoring of polymer scientists and engineers and the use of world class lab facilities. Our students worked to complete an enhanced science project and compete in the prestigious Northeast Ohio Science and Engineering Fair and the Ohio Academy of Science competitions.

Student participants and their NEOSEF awards included: **Jon Friess** - 1st place Chemistry; **Oliver Hildebrandt** - 1st place Medicine and Health; **Joey Miller** - 2nd place Chemistry; **Renee Horn** - 2nd place Medicine and Health; **Kindelan Huber** - 3rd place Chemistry; **Abigail Tanner** - 1st place Engineering; and **Olivia Walter** - 3rd place Engineering. An additional 13 awards were earned by these students.

Their research topics included:

- Telomerase expression and diagnosing the stage of cancer in a purified cell line.
- Improving invasive material interaction between soft tissue prosthesis and the human body.
- Preparation of polystyrene nanomolecules.
- Creating aerogels to be used by NASA to reduce engine sound.
- Using nanofibers for effective drug delivery in prescription medicine.
- Creating polymer scaffolding to grow cartilage cells in infants born without an outer ear.

On June 8th the Science Department teachers and Project Director Mary Jo Chionchio began student interviews for the 2010-2011 Research Experience participants. The coming year will include additional UA scientists, STVM teachers and students.

ROCKET TEAM COMPETES IN **NATIONAL FINALS**

Members of the STVM Rocket Team, sponsored by National Machine, prepare to blast off

STVM's Rocket Team Charlie whose members include Greg Sprungle, Emily Tomon, PJ Morley, Kate Donahue, and Devin Sutter qualified for the Team America Rocket Challenge National Finals at Great Meadow in The Plains, Virginia on May 15, 2010.

All of STVM's rocket teams worked very hard since last September designing, building and flying rockets in an effort to reach the national finals competition. Two other teams, Team Bravo and Team Echo came very close to qualifying and missed being entered into the finals by a slim margin. STVM is very proud of the hard work and dedication these students displayed throughout the year and they are great examples of our wonderful student body! Go Irish!!

STVM BASEBALL TEAM COMPLETES **COMMUNITY SERVICE PROJECT**

Coach Anthony Boarman and the STVM Baseball Team assisted former Chief of Police Craig Gilbride V69, Frank Martucci VM73 and Reverend Bob Denton (grandfather of William VM13) with a community service project this past spring, which benefited the Victim Assistance Program and specifically the newly opened facility located on Furnace Street in Akron, Ohio.

The STVM baseball players, as well as the coaching staff did a tremendous job helping with the cleanup of the exterior of the building and various other tasks. Great job Irish!

FACULTY MEMBER, **SHAWN-PAUL ALLISON, PUBLISHES SECOND BOOK**

Shawn-Paul Allison, St. Vincent-St. Mary faculty member since 1982, has published his second book! He began The Gods of Fall: the Immortali back in the mid-nineties to keep his 8th period study hall occupied by giving them chapters to read. The original opening chapters lay dormant on a disc for over 14 years before he dusted it off and downloaded the contents once again.

The story has now relocated to a college campus where two members of the football team die under mysterious circumstances. The drama and romance of the original story that took place in a high school has been replaced by trips back and forth between the 1880s and 2009 and 2010.

If you could go through a ceremony that would let you live forever on this earth, would you do it? Would it make you sad to watch the current generation grow old and pass away? Would you grow weary of such an existence?

Pepper the story with good vs. evil, a mysterious sacred book called the Kuhduush, a secret fraternity within a fraternity, some vampire-like beings who can suck the life out of the Immortali on certain nights of the year when the meteor showers flash across the heavens, and you have some good, fictional summer reading.

The book can be ordered on-line at iuniverse.com; and amazon.com. If you would like an autographed copy, you can purchase one directly at St. Vincent-St. Mary. A portion of the proceeds go to the student tuition fund. E-mail the author at sallison@stvm if you'd like to drop by to pick up a copy once school begins. Who knows, you might even find your name in the story!

FAREWELL, GRADUATES! **WELCOME, FRESHMEN!**

Joanne Wiseman, Admissions Director

No sooner do we say goodbye to the Class of 2010, than we welcome our incoming freshman Class of 2014. It is with great confidence that we watch our graduating seniors begin their new and separate life journeys. As a class, their academic achievements have been outstanding and each of them is well-prepared, both scholastically and spiritually, for whatever lies ahead. As members of the Class of 2010 close one chapter of their lives and open another, they join the ranks of the more than 17,000 distinguished St. Vincent-St. Mary alumni who have preceded them.

We eagerly anticipate getting to know the newest members of our St. Vincent–St. Mary family — the Class of 2014. These freshmen are about to become a part of a long tradition of greatness, although they have already distinguished themselves on their own merit. Nineteen were awarded Irish Academic Scholarships and 28 earned Irish Opportunity Scholarships based on character, leadership, and service. Fifty-six received Family and/or Memorial scholarships. Sixty-three of these freshmen have siblings attending St. Vincent-St. Mary and 59 have parents who are alumni.

All of us are justifiably proud of STVM and our incoming freshmen have made an excellent decision to become part of our St. Vincent-St. Mary Family. The administration, faculty, and staff extend our Irish hospitality and heartily welcome the Class of 2014!

STVM WINS RED CROSS BLOODMOBILE **CHALLENGE TO SAVE LIVES**

The Future Medics sponsored a second Red Cross Bloodmobile this year. Due to the constant need for blood and an opportunity for STVM to receive scholarship money, we challenged Hoban to see who could collect the most blood on a Saturday in the spring.

WE WON… WE BEAT HOBAN!!!!!!!!

Thank you to the students, parents and alumni that saved lives by donating. A special thank you to the alumni association members who baked cookies for the event. Food always is a good incentive!

JOIN US IN **WELCOMING THE STVM CLASS OF 2014**

FIGHTING IRISH **ATHLETICS YEAR IN REVIEW** 2009-2010

FALL

Football: This year's varsity football team finished with a record of 6-5 and returned to state playoff competition. Unfortunately, the team's season ended in the OHSAA regional quarterfinal against Poland Seminary High School. Highlights from this season included a 14-10 victory over rival Archbishop Hoban. The annual game was played at the brand new Infocision Stadium on the campus of The University of Akron. The attendance for the game was close to 12,000 people. It was the first high school football game ever played at the new facility. The team this year was led by captains: seniors Billy Harmon and Brian Foster and juniors Doran Grant and Mark Murphy. During the season this year former Fighting Irish coach John Cistone was honored at halftime of the September 4th game versus Akron North.

Cross Country: The cross country team had a championship season this fall. SportsInk.com president Angela Spreitzer Charles VM82 presents Akron Touchdown Club Awards to (L-R) Michael Rix, Dominique Mitchell, JaKarr Sampson and Ricky Johnson

WEBSITE SPOTLIGHTS **STVM SPORTS**

Twenty-eight years after serving as editor of the Leprechaun Gold, St. Vincent-St. Mary alumna, Angie Spreitzer Charles VM82 returned to the school as President of a new online sports reporting venture. Angie made a visit in May to present the Akron Touchdown Club All-Star Awards to several students and a special Athlete of the Week Award to senior, Dominique Mitchell. Her company, SportsInk.com, partnered with the Akron Touchdown Club in honoring top local athletes.

Angie said she and several partners founded SportsInk.com last August to provide coverage to an underserved market. "It's gotten too expensive and difficult for print media to be able to provide comprehensive coverage of high school sports," she said. "At the same time, reading habits have changed, with more people going online to read news, especially sports news. People want the immediacy of the Internet and the ability to view stories with photos, audio files and videos. We're excited to be part of this evolution in the media industry."

The site covers 13 sports for St. Vincent-St. Mary High School. The main STVM page can be found at: http://www.sportsink.com/HighSchools/StVM/tabid/99/Default.aspx

Angie can be reached at acharles@sports-reporting.net.
