Your gift to The Fund for STVM is an investment in our students. By helping to offset general operating expenses of the school, The Fund for STVM directly impacts our ability to keep first-rate Catholic education as affordable as possible. Private support helps to defray the gap in the *actual* cost to educate each student versus what families pay in tuition, while also providing the "*little things*" which make a St. Vincent-St. Mary education a cut above.

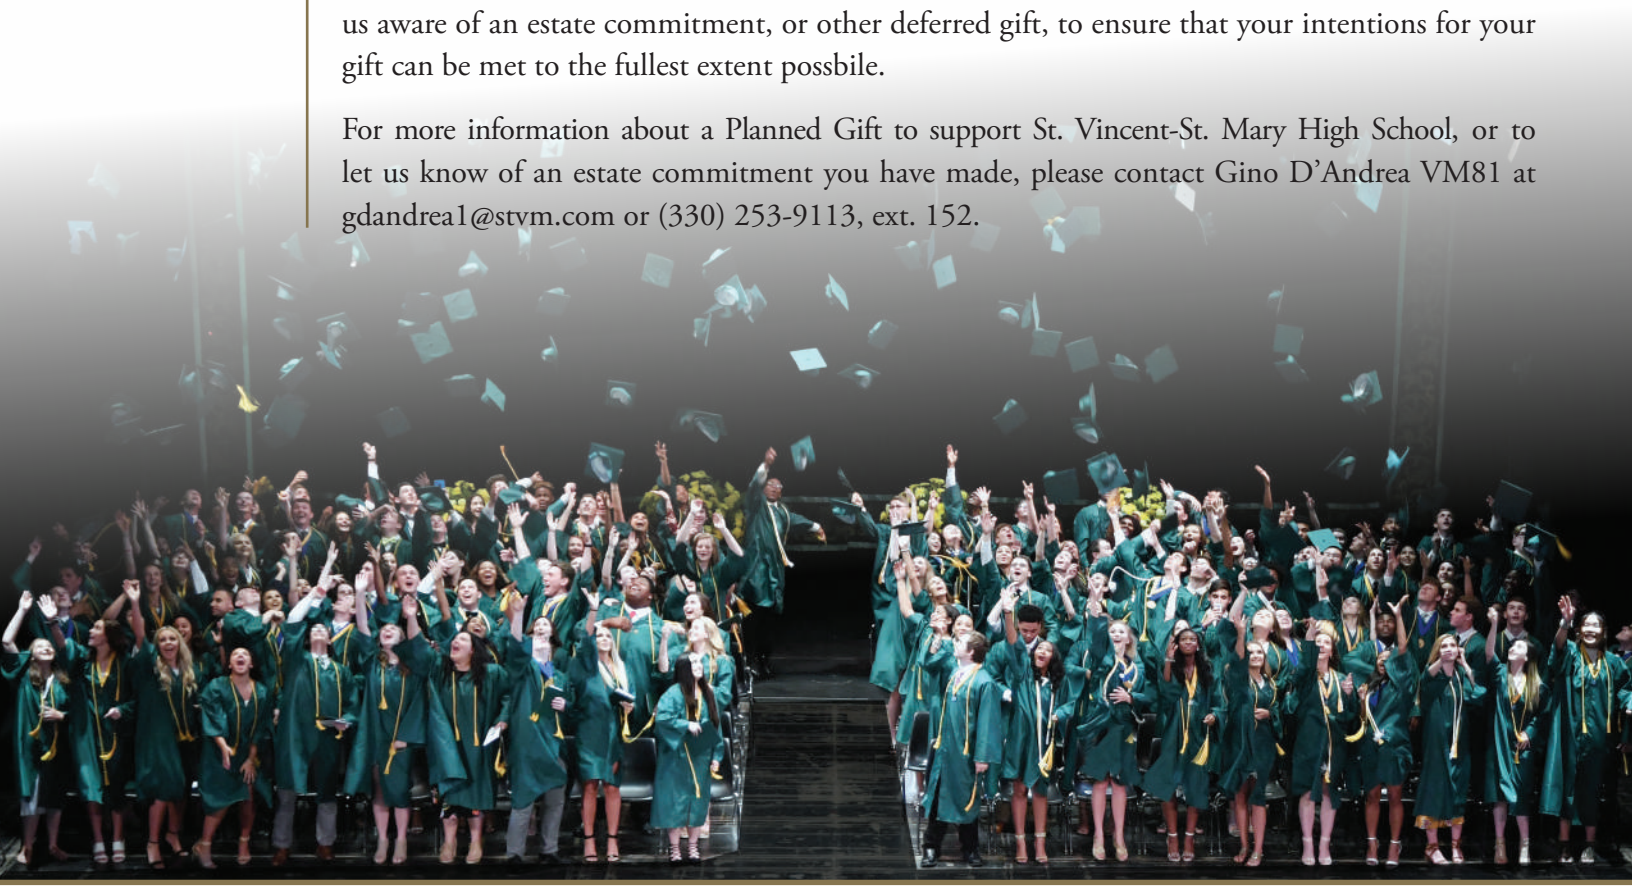
Leave a *legacy* at St. Vincent-St. Mary

St. Vincent-St. Mary is blessed with a history of generous, unwavering support from alumni and friends. Gifts of all amounts are important in our efforts to fulfill our educational mission rooted in the Gospel "to enlighten and inspire through Catholic education."

There are many ways to make a gift in support of Catholic education at St. Vincent-St. Mary High School. As you consider a gift, you may hear the term "planned giving" used. But what is Planned Giving, really? Aren't all gifts "planned"? No one makes a gift accidentally. *Do they?* Planned Gifts are, however, different from an annual, outright gift. As the name implies, a good amount of thought and consideration precedes a Planned Gift. It may seem overwhelming but it does not have to be. Generous donors consult attorneys, accountants and professional advisors to construct a gift that, when properly structured, is mutually beneficial for both the donor and St. Vincent-St. Mary High School.

Planned Gifts may be outright gifts during the donor's lifetime and can be funded with cash, appreciated securities, real estate and other personal property, and can accomplish a donor's charitable goals, and can also have positive financial and tax implications for the donor, with the additional benefit of the donor being able to witness the positive effects of the gift at work. Often, Planned Gifts are deferred, or made upon the donor's death via a will, trust or other estate planning vehicle and can be funded with cash, life insurance, IRA's or other individual retirement vehicle. Such gifts can provide the added benefit of reducing estate tax and the ability to make a larger gift upon your death that might have been possible during your lifetime. It is wise to make us aware of an estate commitment, or other deferred gift, to ensure that your intentions for your gift can be met to the fullest extent possbile.

For more information about a Planned Gift to support St. Vincent-St. Mary High School, or to let us know of an estate commitment you have made, please contact Gino D'Andrea VM81 at gdandrea1@stvm.com or (330) 253-9113, ext. 152.



Our mission - in the spirit of the Gospel, we are committed to educate the whole person; to lead and to serve, enlightening the mind, developing the body, touching the heart, and inspiring the soul.

Dear St. Vincent-St. Mary High School Community,

I want to take this opportunity to share with you how grateful I am to those who continue to support St. Vincent-St. Mary High School. I am excited to remain a part of this vibrant school community, and honored to provide leadership to our faculty, staff, and students.

I am aware of all the hard work and dedication that go into maintaining our school as one of the best Catholic high schools in the area. I recognize the significant amount of time, talent, and treasure that our faculty, staff, and community have contributed over these many years. I am confident that together we can continue to make STVM the Catholic high school of choice. As we transition into this new school year, it is important to note all of the improvements to the campus that were only possible due to the generosity of our community. The list of improvements completed over the summer is as follows:

- Installed new LED lighting throughout the interior and exterior of the school
- Updated a science classroom
- Remodeled offices
- Created a MakerSpace
- Installed new security cameras in the LeBron James Arena, Costigan Training Facility, and new outside parking lots
- Completely remodeled classrooms in Special Needs Department
- Installed new ceiling in first floor entrance
- Completely remodeled the Concession Stand at John Cistone Stadium
- Remodeled several classrooms

In closing, I encourage all of you to get involved and be a part of the wonderful community that will allow STVM to continue on its path to success.

Thank you and God Bless,

Thomas M Carone VM77
President

✞ *Deceased*

A Catholic School in the Marianist Tradition

Much will be required of the person entrusted with much, and still more will be demanded of the person entrusted with more." (Luke 12:48) You have entrusted us to be good ambassadors of the blessings you share with St. Vincent-St. Mary. You have seen the needs of our students and responded in generous abundance.

"Give and gifts will be given to you; a good measure, packed together, shaken down, and overflowing, will be poured into your lap. For the measure with which you measure will in return be measured out to you." (Luke 6:38) The beatitudes of giving remind us to be generous in all areas. We walk this gospel daily at STVM; as we see the success of our students it is clear that the gifts they have received are returned exponentially.

Both gospels remind us to live by giving abundantly of all our blessings. With that in mind, I am humbled and honored to extend a heartfelt thank you to all who continue to give abundantly to St. Vincent-St. Mary with your talent, treasure and time. I am extremely grateful to have the opportunity of serving this family.

Thanks in a large part to the financial commitment of our alumni, friends, corporations and foundations, we can continue our mission to educate students in the spirit of the Gospel and to transform and enrich through Catholic education. As you see reflected in this report, the financial support you provide helps offset the cost of tuition assistance, advancement in technology and general operations. Alumni, friends, current and past parents, we are extremely thankful for your investment in Catholic education and the role you play in the success of St. Vincent-St. Mary High School.

May God continue to bless you abundantly,

Gino D'Andrea VM81
Director of Advancement
