Leave a Legacy at St. Vincent-St. Mary

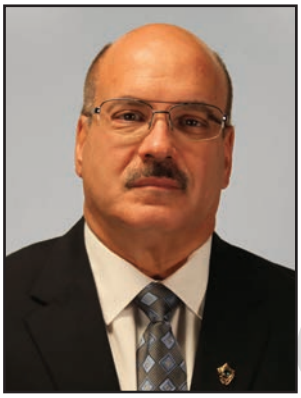
St. Vincent-St. Mary is blessed with a history of generous, unwavering support from alumni and friends. Gifts of all amounts are important in our efforts to fulfill our educational mission rooted in the Gospel "to enlighten and inspire through Catholic education."

There are many ways to make a gift in support of Catholic education at St. Vincent-St. Mary High School. As you consider a gift, you may hear the term "planned giving" used. But what is Planned Giving, really? Aren't all gifts "planned"? No one makes a gift accidentally. Do they? Planned Gifts are, however, different from an annual, outright gift. As the name implies, a good amount of thought and consideration precedes a Planned Gift. It may seem overwhelming but it does not have to be. Generous donors consult attorneys, accountants and professional advisors to construct a gift that, when properly structured, is mutually beneficial for both the donor and St. Vincent-St. Mary High School.

Planned Gifts may be outright gifts during the donor's lifetime and can be funded with cash, appreciated securities, real estate and other personal property, and can accomplish a donor's charitable goals, and can also have positive financial and tax implications for the donor, with the additional benefit of the donor being able to witness the positive effects of the gift at work. Often, Planned Gifts are deferred, or made upon the donor's death via a will, trust or other estate planning vehicle and can be funded with cash, life insurance, IRA's or other individual retirement vehicle. Such gifts can provide the added benefit of reducing estate tax and the ability to make a larger gift upon your death that might have been possible during your lifetime. It is wise to make us aware of an estate commitment, or other deferred gift, to ensure that your intentions for your gift can be met to the fullest extent possible.

For more information about a Planned Gift to support St. Vincent-St. Mary High School, or to let us know of an estate commitment you have made, please contact Gino D'Andrea VM81 at gdandrea1@stvm.com or (330) 253-9113, ext. 152.

Our Mission



Dear Friends of St. Vincent-St. Mary High School,

As we seek to advance our mission, we rely on our STVM community for your support. We very much appreciate all the prayers, knowledge, talents, and financial support the school continually receives. Thank you for helping us to continue the STVM tradition now and for the future.

We are entering our third year as a Marianist sponsored high school. With the guidance of the Marianists, we continue to build upon the Marianist Charisms.

- *We are people of Faith*
- *We are Followers of Mary*
- *We are People of Community*
- *We are a Discipleship of Equals*
- *We are Leaders in Mission*

We are very proud of the accomplishments of our students. Please visit our website to see what our students have been doing. I invite you to visit www.stvm.com and check out the STVM Curriculum, Academics, Model UN Team, Rocket Team, Marching Band, Drama Department and Athletic Teams to name a few.

I encourage you to read through the annual report. Financially, operating results can be seen on Page 5 of the Annual Report; however, these numbers alone do not tell the whole story.

We strive to increase our student enrollment by continuing to make improvements to our campus, enhance our curriculum, improve student support systems and ensure the safety and well-being of all students, faculty and staff. Please contact me as I would love to personally give you a tour of our ever-improving campus.

On behalf of our students, faculty and staff, thank you for all you do for us.

God Bless.

Your gift to The Fund for STVM is an investment in our students. By helping to offset general operating expenses of the school, The Fund for STVM directly impacts our ability to keep first-rate Catholic education as affordable as possible. Private support helps to defray the gap in the actual cost to educate each student versus what families pay in tuition, while also providing the "little things" which make a St. Vincent-St. Mary education a cut above.

A Catholic School in the Marianist Tradition

Dear Friends,

It is with a grateful heart that I write this letter to all of you. Grateful for the opportunity to serve the school I love. Grateful to my board, administration and staff that work tirelessly each day on behalf of our students. And grateful for the Irish community which truly makes St. Vincent-St. Mary Hight School special. I can't help but praise the LORD for his many blessings.

In the spring of 2017, I joined a small St. Vincent-St. Mary High School assembly in a visit with The Society of Mary (Marianist) in St. Louis. Now two full years into a sponsorship relationship, I'm unbelievably grateful. The Marianist interactions with our school at all levels has been nothing short of spectacular and it's clear to me the best is yet to come as we fully embrace the core values of the Marianist mission.

"We are a discipleship of equals" is one of those core values. The discipleship of equals is the concept that everyone has a voice, everyone's opinion is heard and respected. And I would add, everyone is needed. As your Board Chairman, I pledge governance which honors this tradition.

This fall we welcome Kimberly Gorr back to St. Vincent-St Mary High School as the school's new Principal. I'm grateful for all those among our community and staff who accepted the opportunity and participated in this important decision. I believe "we" chose well, and I look forward to the fruits of our decision.

Looking forward, I invite you personally to a higher level of engagement with our school. Great things are done only by a series of small things brought together. Your Irish family needs you.

In Christ,

James M. Bowen
Chairman

The St. Vincent-St. Mary High School Foundation has been a supporting organization of the high school and has been a major contributor since its inception in 2003. Through the Family and Memorial Scholarship program, many of our students receive thousands of dollars in scholarship money enabling them to attend STVM. The Foundation also supports continual capital improvements and property acquisitions as well special projects that enhance the STVM school learning environment and expand our campus.

Recently, through generous donations from our community and with support from the LeBron James Family Foundation, the Foundation has funded the MakerSpace, demolition of the Costigan building, the installation of the new parking lot and the new digital school sign. This past year the Foundation through their scholarship program and in funding special projects was able to support the school with over $807,000.
