Leave a Legacy at St. Vincent-St. Mary

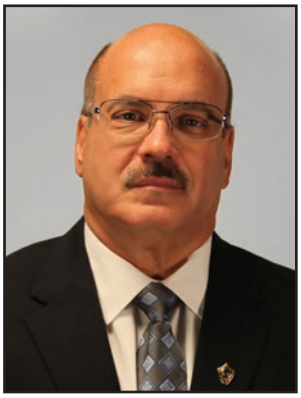
St. Vincent-St. Mary is blessed with a history of generous, unwavering support from alumni and friends. Gifts of all amounts are important in our efforts to fulfill our educational mission rooted in the Gospel "to enlighten and inspire through Catholic education."

There are many ways to make a gift in support of Catholic education at St. Vincent-St. Mary High School. As you consider a gift, you may hear the term "planned giving" used. But what is Planned Giving, really? Aren't all gifts "planned"? No one makes a gift accidentally. Do they? Planned Gifts are, however, different from an annual, outright gift. As the name implies, a good amount of thought and consideration precedes a Planned Gift. It may seem overwhelming but it does not have to be. Generous donors consult attorneys, accountants and professional advisors to construct a gift that, when properly structured, is mutually beneficial for both the donor and St. Vincent-St. Mary High School.

Planned Gifts may be outright gifts during the donor's lifetime and can be funded with cash, appreciated securities, real estate and other personal property, and can accomplish a donor's charitable goals, and can also have positive financial and tax implications for the donor, with the additional benefit of the donor being able to witness the positive effects of the gift at work. Often, Planned Gifts are deferred, or made upon the donor's death via a will, trust or other estate planning vehicle and can be funded with cash, life insurance, IRA's or other individual retirement vehicle. Such gifts can provide the added benefit of reducing estate tax and the ability to make a larger gift upon your death that might have been possible during your lifetime. It is wise to make us aware of an estate commitment, or other deferred gift, to ensure that your intentions for your gift can be met to the fullest extent possible.

For more information about a Planned Gift to support St. Vincent-St. Mary High School, or to let us know of an estate commitment you have made, please contact Michelle Hlivko Schaeffer VM92 at mschaeffer@stvm.com or (330) 253-9113, ext. 164.

Our Mission



Dear Friends of St. Vincent-St. Mary High School,

Fiscal year 2020 was anything but normal. As we stand on the cusp of a fall semester like no other, we are strengthened to know we will all be embarking on this unprecedented journey together. As our STVM community has done so many times over the years, we have rallied together to ensure that the legacy of success at STVM continues on for our current students and those in the future.

Despite the COVID-19 pandemic, that has disrupted all of our lives in one manner or another, we have been able to improve our campus and provide the needed assistance to our families suffering from the pandemic. My top priority as president is to do everything possible to support our Irish family so that we can learn, teach and work in a safe and healthy environment.

When our doors open later this month, we expect to greet 619 students. This represents a 4.4% increase from the 19-20 school year. Through our freshman class we will welcome 171 new members to our Irish family. The Class of 2024 reflects the 4th consecutive year of increased enrollment.

We have accomplished so much over the past year and we continue to make improvements that will be beneficial to our student body, as well as, our faculty, staff and administrators. Some of the major improvements over the last year are:

- Completion of the Innovation Hub
- Creation of the College and Career Readiness Center
- Renovations to the Learning Resource Center
- Remodeling and updating the Theater
- Renovations to our science classrooms
- New weight training room and equipment
- Upgraded security measures
- Modifications to implement CDC guidelines related to COVID-19

We are humbled and grateful that we have achieved these improvements because of your support. Again, I want to thank each of you for your collective efforts, flexibility and patience as we move forward. There is so much more we can and will accomplish with your continued generosity. Your gracious giving through financial contributions and in-kind donations along with your spiritual and emotional support during these difficult times has been uplifting and inspiring.

I hope all of you are well and safe. I will continue to include you and your families in my prayers.

God Bless,

Thomas M. Carone VM77
President

By helping to offset general operating expenses of the school, The Fund for STVM directly impacts our ability to keep first-rate Catholic education as affordable as possible. Private support helps to defray the gap in the actual cost to educate each student versus what families pay in tuition, while also providing the little things, makes a St. Vincent-St. Mary education a cut above the rest.

THANK YOU!

With Gratitude

Dear Friends,

It has been my absolute pleasure to serve St. Vincent-St. Mary High School (STVM) as Chairman of the school's Executive Board. I feel I've experienced a lifetime of the joys and challenges of Catholic education in two fast moving years. As I relinquish the role, I'm overcome with gratitude for the teachers, administrators and staff who breathe life into our mission each day. I'm equally grateful for an Executive Board that has generously invested their time and treasure, and for this Irish community which lifts us all.

This spring the world faced the challenge brought on by the COID-19 virus. I applaud all our students for adapting so quickly to distant learning and I thank our administration and teaching staff for maintaining the spirit and mission of STVM throughout. In pains me to think certain senior traditions were missed but I'm grateful for the creativeness and the spirit our team put forth to give a memorable send off. The Class of 2020 will have a special place in my heart.

While the virus has paused the community development of the school's strategic plan until sometime this fall, it has not slowed the board from moving forward. I'm pleased we were able to expand the school footprint to allow for future campus development, to complete a successful Tuition Relief Program to protect families hit hardest by the virus, to announce the STVM House System which will enhance the student experience for generations, and for robust committee work focused on elevating STVM on every front.

When I hear the term Fighting Irish, like many, I think of our great athletic programs. However, as I have become more ingrained into every aspect of the school, I've also discovered the fight in 2 Timothy 4:7 - I have fought the good fight, I have finished the race, I have kept the faith. This is a faith-filled community which runs hard. The course we take may at times vary but the finish we all seek for our students and ourselves is HIM. Thank you all for the choice of a Catholic Education.

Speaking of a good fight, I wish to you introduce to all of you Mr. Jack Weisensell. Jack has served on the Executive Board since early 2015, most recently as Secretary. He is tough both as an assistant coach for the Irish wrestling program and tackling issues critical to the school. Jack will assume the role of Chairman this Fall, and will no doubt build upon the great tradition of STVM.

In Christ,

James M. Bowen, Chairman

Welcome!

Dear STVM Community,

I want to extend a sincere thank you and expression of appreciation to Jim Bowen for his leadership over the past 2 years. I have been on the board for several years now. The board has always functioned well and certainly with the best interests of the students and the school as its primary focus. Jim has taken the board to another level with the establishment of several working committees that have gotten things done that were on the "to do list" in the past but have now been accomplished. We should all applaud, congratulate, and thank Jim for a job truly well done.

Jim's shoes are big shoes to fill, especially at this unprecedented – in our lifetime – challenging, and uncertain time. Even as I write this, in mid-July, the school has a "Plan A" for the start of school in the fall, but we don't know if we will be operating under that plan or "Plan B," or "Plan C." The administration, led by President Tom Carone, who has worked tirelessly, has done an unbelievable job shepherding the school through the 2019-2020 school year as well as preparing for 2020-2021. Knowing what has gone into this process I can say confidently that we are truly as well prepared as anyone for that challenge. Our school Principal, Kim Gorr, has done a tremendous job of staying involved, educated, and informed with respect to this evolving situation. Kim has taken seminars and been involved in surveys and studies, nationally and internationally, trying to find the best ways to go forward – safely – but doing the best job of educating our STVM students as possible in these difficult and challenging times.

I did not attend STVM. Neither did my wife. Our youngest child, Jordan, was in the STVM Class of 2013. It sounds cliché but from her very first involvement in the STVM Marching Band, under the direction of Mr. Brian Campbell, during the summer before her 8th grade year at St. Joseph, we all felt that there truly is a "family spirit" at STVM. That is what ultimately led me to accept a position on the bard of the school in the first place. This was reflected again this year in at least 2 ways: the successful completion of the Showcase event, online, in the face of the pandemic; and the success of the Tuition Assistance Fund, led by Ralph Trecaso, to assist STVM students and families who might be experiencing unusual financial difficulties due to the virus.

No doubt this will be a challenging year. However, we can't sit back and fret over our problems and let them control us. We have to rise to the challenge of operating a Catholic, Marianist high school in the most turbulent times in our lives. We need to continue the work of educating our students – your children, grandchildren, nieces, nephews, and friends' children – as Catholics, and in the Marianist tradition, and for those in our school who don't follow the Catholic faith, by simply working to make them better people when they leave here, well prepared for life after STVM. We will need your help doing this. We will be embarking on the creation of a new five-year plan for the school, and I ask all who read this to be willing to, and open to be involved in that process. We hear about "Time, Treasure, and Talent." We all have one or more of these attributes. Please be willing to share yours with STVM.

Going into the 2020-2021 school year, I'd like to ask you to keep in mind a quote from Fr. Chaminade, the founder of the Marianist Order: "As long as you are on earth you will have problems. Go with simplicity. Do not worry about the troublesome or disconcerting things you will experience. Do your duties. Try to please God and keep your peace."

Sincerely,

Jack Weisensell, Chairman

The St. Vincent-St. Mary High School Foundation is a supportive organization of STVM HS as defined by the Internal Revenue Service and has been the major contributor since its inception in 2003. Through the Family and Memorial Scholarship program, many of our students receive thousands of dollars in scholarship money enabling them to attend STVM. The Foundation also supports continual capital improvements and property acquisitions as well special projects that enhance the STVM school learning environment and expand our campus. Through generous donations from our community and with support from the LeBron James Family Foundation, the STVM HS Foundation has continued to fund updates to the MakerSpace and the creation of the College and Career Resource Center. Also, major renovations to the Leprechaun Theatre are in process. The purchase by the STVM HS Foundation of 20 real estate parcels from the City of Akron greatly expands our campus and offers many development opportunities to the school. This past year the Foundation through their scholarship program and in funding special projects was able to support the school with over $900,000.
