ABOUT ST. VINCENT-ST. MARY HIGH SCHOOL

St. Vincent–St. Mary High School (STVM) is a four-year, co-educational, college preparatory Catholic high school sponsored by the Marianists and proudly recognized as the only STEAM-designated Catholic high school in Ohio. Rooted in a tradition of educating the whole person, STVM offers a dynamic academic experience with Advanced Placement, Honors, College Preparatory, and College Credit Plus coursework, paired with a full-service Special Education unit unique among Catholic high schools in our region.

Our interdisciplinary approach challenges students to think creatively and critically while providing individualized support that meets them where they are and empowers them to grow. Every day, our faculty and staff work collaboratively to cultivate an environment where students are known, inspired, and prepared for success in college, career, and life; all in which follow our mission:

> ***"In the spirit of the Gospel, we are committed to educating the whole person to lead and to serve: enlightening the mind, developing the body, touching the heart, and inspiring the soul."***

TECHNOLOGY

St. Vincent–St. Mary High School supports academic excellence through a thoughtfully integrated technology environment. Students receive a Chromebook in their freshman year, as part of a one-to-one initiative, enabling collaboration, research, and creativity across disciplines. High-speed fiber internet and interactive classroom technology ensure reliable access and dynamic, wire-free instruction throughout the campus.

STUDENT ACTIVITIES

Our diverse array of clubs, organizations, and programs gives students the chance to explore their passions, develop meaningful connections, and grow academically, socially, and personally. From competitive teams and cultural clubs, to leadership roles and specialized academic experiences, students build skills and confidence that prepare them for life beyond high school. Club offerings vary based on student interest, with new groups created each academic year. They also have the opportunity to participate in 25 girls and boys athletic programs.

GRADUATION REQUIREMENTS
