A WORD FROM:

President, David Vitatoe

Dear Friends of St. Vincent-St. Mary High School,

I write this letter still early in my first 100 days with the school but backed by a lifetime of respect and appreciation for the legacy, tradition, and impact that STVM students and alumni have on the Akron community and beyond. It is in that Family Spirit at the core of our Marianist mission that we will advance the school into the future.

We know that change is inevitable, and STVM has seen a great deal in recent years. As we aim to educate our students for adaptation and change in order to address the emerging needs of society, we recognize the need for our school community to do the same. We must ask ourselves, what type of learning environment do we wish to offer the next generation of students? How do we plan to compete and forge ahead against the headwinds facing private, Catholic education? Addressing these critical questions together as a community positions us for a strong and stable future. We call on the Irish alumni, parents, and friends to help in the fight to preserve our history, tradition, and mission, and to advocate to prospective families about how the STVM experience can change lives. The world needs more STVM graduates, and we look forward to partnering with you as we usher in this new era of the school.

The following report details the financial activity of the school for the 2023-24 academic year. On behalf of my predecessors and all faculty and staff at STVM, thank you to our generous donors and advocates who have supported the school, especially in recent years as it emerged from the COVID-19 pandemic.

Thank you for welcoming me and the newest members of our faculty and staff community. Together with those educators who have taught so many of you and your children, we invite your engagement and welcome your prayers and support for this academic year and beyond.

God Bless,

David Vitatoe

David Vitatoe
President

THE WORLD NEEDS MORE STVM GRADUATES, AND WE LOOK FORWARD TO PARTNERING WITH YOU AS WE USHER IN THIS NEW ERA OF THE SCHOOL.

AT ST. VINCENT-ST. MARY HIGH SCHOOL, WE HAVE WORKED PRAYERFULLY TO BUILD A TEAM THAT IS FULLY DEDICATED TO THE IRISH EXPERIENCE – EDUCATING THE WHOLE PERSON ACADEMICALLY, SPIRITUALLY, AND MORALLY IN A FAMILY SPIRIT.

A WORD FROM:

Executive Board Chair, Mary Ann Isaac VM82

Dear Irish Family, Friends, and Supporters,

I am honored to be your Executive Board Chair and to have the opportunity to serve the place I call home. My promise to you is that the well-being and success of our students will always be at the forefront of all that the Executive Board and I do.

This past summer, the Executive Board engaged in an exercise to understand more about what it means to be a Marianist school. One of the key points that stood out to me is that we are recognizably Marianist when we "maintain a community where all are involved in the formation of those we serve."

At St. Vincent-St. Mary High School, we have worked prayerfully to build a team that is fully dedicated to the Irish experience – educating the whole person academically, spiritually, and morally in a family spirit. I am excited to work with our new President, David Vitatoe, our new Principal, Erin Burdon Faetanini VM86, our new CFO, Lori Baker Tomaszewski VM85, and our returning Director of Alumni Relations and Interim Advancement Director, Michelle Hlivko Schaeffer VM92. This team bleeds green and gold. They have been working tirelessly to strengthen our academics, student opportunities, traditions and everything else that makes us a shining beacon High Atop a Hill in Akron. This year promises to be an exciting new beginning at St. Vincent-St. Mary. We are adding an arts designation to make STVM a STEAM-designated high school (Science, Technology, Engineering, Arts & Math). We are introducing an exciting new entrepreneurial opportunity for our students to run our school bookstore. The House System is being enhanced to include meaningful service opportunities based on Gospel teaching. And we are poised to continue our excellence in athletics with the addition of Head Football Coach Doran Grant VM11, along with many others.

You are going to see more opportunity for each of you to engage and be part of our year to thrive. We are recognizably Marianist, and I'll add recognizably Irish, when we work together to make St. Vincent-St. Mary High School a place where our students grow and our alumni are proud to call home. I encourage you to look for ways to contribute – whether it's through volunteerism, supporting our advancement initiatives or giving of your talents and treasure in other ways. I firmly believe that all of you are what it means to be Irish.

Thank you for entrusting the Executive Board and the Administration with your students. Thank you for volunteering. Thank you for your financial support. It is because of you that we will thrive.

Go Irish,

Mary Ann Isaac

Fr. William Joseph Chaminade, a French Catholic priest along with his companions survived persecution during the French Revolution and founded the Sodality of the Marianist Family.

Chaminade's concept was to gather all Christians into a unique community of Christ's followers unafraid to be known as such, committed to living and sharing their faith, and dedicated to supporting one another in living the Gospel to the fullest. The enterprise was placed under the patronage and protection of the Blessed Virgin Mary dedicated to sharing her mission of bringing Christ into the contemporary world.

In honor of Blessed Fr. Chaminade, St. Vincent-St. Mary High School established the Chaminade Society, recognizing individuals and families who have included STVM in their estate plans. Members of the Chaminade Society are motivated by the Marianist mission in hopes of providing for the next generation of talented students.

THE FUND FOR STVM

Through the Years

Your gift to The Fund for STVM is an investment in our students. By helping to offset general operating expenses of the school, The Fund for STVM directly impacts our ability to keep first-rate Catholic education as affordable as possible. Private support helps defray the gap in the actual cost to educate each student versus what families pay in tuition, while also providing the little things that make a St. Vincent-St. Mary education a cut above the rest.

Maple St. Madness

Maple St. Madness was created to be a fun competition between alumni classes to have alumni reconnect with their classmates, and the school.

PREVIOUS CLASS WINNERS
2021: 1992 (36.2%)
2022: 2005 (41.7%)
2023: 1982 (50.0%)

Pictured is the St. Vincent Class of 1972, 2024 Maple St. Madness winners, at their championship tailgate on August 30, 2024.

Maple St. Madness began in March of 2021. The purpose was to create a fun competition between alumni classes and to have St. Mary, St. Vincent and St. Vincent-St. Mary alumni participate. The hope was this month-long competition would reconnect alumni with their classmates and their alma mater!

The set up of this challenge is similar to the NCAA March Madness tournament with 64 classes working together to make it through 6 rounds. V72 rallied together, captured bragging rights and celebrated their win with a tailgate party.

We appreciate all of our alumni who participated in Maple St. Madness 2024. Your time, effort, excitement and generosity have not gone unnoticed. We hope to see more alumni engagement (and friendly rivalry!) as Maple St. Madness continues in February 2025. Stay tuned for more details.
