Dear STVM Families,

Welcome to the 2026-2027 school year! As families start making plans for this school year, we would like to share the options for transportation to and from St. Vincent-St. Mary High School.

The North route includes stops in Northfield, the South route includes stops in North Canton, and the Medina route includes stops near route 18. STVM's transportation routes are picked and adjusted based on ridership to provide the most convenient and safe drop off/pick up locations for our riders.
